ORDER

VALERIE CAPRONI, United States District Judge:

WHEREAS based on an initial review of the parties' JPTO, the Court notes that Plaintiff intends to call 20 witnesses and Defendants intend to call 16 witnesses; and

WHEREAS the descriptions of the witnesses' proposed testimony suggest there will be substantial amounts of repetitive testimony;

IT IS HEREBY ORDERED THAT the parties must be prepared to discuss at the Final Pre-Trial Conference why the Court should not preclude proposed witnesses who appear to be providing cumulative testimony.

**SO ORDERED.**
